POVERTY BALL

During the month of January, 1974, the cost of living index rose 1%. Gasoline, food and auto repair accounted for much of this increase.

Don't be depressed. Here's one way to beat the rising cost of living and have a wonderful time at bargain prices. Come to the Mattapoisett Woman's Club's Scholarship Ball to be held on Saturday, March 9, from 8 P.M. to 1 A.M. in St. Anthony's Church Hall. All proceeds from this dance will be awarded to a deserving Mattapoisett girl who wishes to continue her education.

Here's what you'll get for a remarkably reasonable price: 1) A wine-tasting session

Mattapoisett Grange

Mattapoisett Grange held its bi-monthly meeting last Thursday night, February 21st, with Deputy Frank Jefferson presiding.

Honored guests were Deputy Jefferson, Edwin Ashley, master of Marion Grange, and Mrs. Irene Jefferson, representative from Sippican Pomona.

A report on the executive committee was given by Lee Root.

Announcement was made of the Pomona meeting to be held in Mattapoisett Grange Hall Saturday, March 2nd. Members of the host Grange will serve a supper at 6 P.M.

The mystery package, donated by Mary Beth Breton, was won by Otto Kellish.

The lecturer's march prize went to the master of Marion Grange.

Lecturer Buckley and Mary Beth Breton conducted a program on George Washington.

The program for the March 7th meeting is in charge of Gladys Pearson. Members are asked to bring in items for a Penny Sale to be conducted by the Home and Com-

In a hall decorated in a Mardi Gras setting, seated at tables bedecked with checkered cloths and candles, the parents were served by gypsy waitresses.

King Rex (Cubmaster McCartney) with his honor guard (Webelos) led the Mardi Gras Parade. Den 1 dressed as Robin Hood and his merry men had a forest float. Den 2 dressed as Captain Hook and his band of pirates had a pirate ship float. The two dens marched around St. Anthony's Hall, being showered by confetti, thrown by parents, relatives and friends.

Den 1 sang the song, "Robin Hood". Den 2 sang "Blow the Man Down".

DENY APPLICATION

The Mattapoissett Board of Selectmen has informed Mr. Bisailon of 689 Sconticut Neck Road that his application to buy, sell, exchange or assemble second hand motor vehicles has been considered in a hearing held February 19th. After reviewing the facts the Selectmen voted not to issue the license because of improper operation of the present junk business and taking into consideration the number of illegal fires at that location. The business is located on Route 6.

ROUTE 6 CONDUIT APPROVED

Selectmen approved a petition by the New England Telephone Company for the installation of underground conduit along Route 6 from Mechanic Street to Mattapoissett Neck Road. The Telephone Company indicated that the work will start the latter part of 1974.

FOR THE MAN WHO HAS
PROVEN HE CARES
ABOUT YOUR TOWN.

I HAVE SERVED OUR TOWN AS CHAIRMAN OF THE BOARD OF APPEALS SINCE ITS JULY, 1964, INCEPTION, 9 1/2 YEARS AGO.

THE BOARD IS COMPOSED OF FIVE MEMBERS COMPLEMENTED BY FIVE ALTERNATES. MY ATTENDANCE RECORD HAS BEEN OVER 95%.

I BELIEVE MY TRACK RECORD AS BOARD CHAIRMAN SHOULD LEND CONFIDENCE THAT IF ELECTED AS ASSESSOR -- YOU WILL BE SELECTING SOMEONE WHOSE REPUTATION FOR FAIRNESS IS ESTABLISHED; ONE WHO IS A GOOD PATIENT LISTENER; ONE WHO HAS HAD TO WEIGH LEGAL FACTS, COMBINED OFTEN WITH PEOPLE'S EMOTIONS, IN RENDERING A DECISION; ONE WHO HAS LEARNED TO SOLICIT AND VALUE OTHERS' INPUT IN DECISION MAKING.

I BELIEVE OUR BOARD UNDER MY CHAIRMANSHIP HAS SERVED IN A NON-CONTROVERSIAL MANNER, RENDERING DIGNITY AND NEVER EMBARRASSMENT TO OUR TOWN.

I HAVE SERVED 30 YEARS IN THE UNITED STATES ARMY RESERVES. I HOLD THE RANK OF CHIEF WARRANT OFFICER. I AM RESPONSIBLE FOR ADMINISTRATION AND FINANCE FUNCTIONS OF A BATTALION AND FIVE COMPANIES. LASTLY, I POSSESS 28 YEARS OF SERVICE IN THE INSURANCE INDUSTRY DURING WHICH TIME I HAVE SERVED IN SEVERAL ADMINISTRATIVE CAPACITIES.

I DESIRE TO SERVE OUR TOWN IN ONE OF ITS MOST VITAL ELECTED OFFICES, NAMELY THAT OF ASSESSOR. I AM NOT CRITICAL OF THE PRESENT OFFICE OF ASSESSORS. I DESIRE TO CONTRIBUTE TO ITS INTEGRITY AND EFFICIENCY.

I DO, HOWEVER, RECOGNIZE THAT OUR TOWN IS IN THE EMBRYO STAGES OF SUBSTANTIAL GROWTH, AND ADDITIONAL SERVICES COMBINED WITH INFLATIONARY EFFECTS ON PRESENT SERVICES MUST BE MET FINANCIALLY. THIS MUST BE DONE FAIRLY. SENIOR TOWN CITIZENS MUST NOT BE FORCED TO LEAVE. BRIGHT YOUNG FAMILIES MUST NOT BE DISCOURAGED. I STAND BEFORE MY TOWN AS ONE HAVING ABSOLUTELY NO CONFLICT OF INTEREST -- NO INVESTED CAPITAL OTHER THAN MY HOME -- NO BUSINESS INTERESTS.

I WILL TREAT EVERYBODY FAIRLY - I WILL TREAT EVERYBODY JUSTLY. I WILL ATTEMPT TO ENCOURAGE ANY INTERESTED CITIZEN TO FEEL MOST COMFORTABLE IN HIS QUESTIONS OR SUGGESTIONS FOR THE OFFICE WHICH I SEEK. THANK YOU.

the Board of Selectmen, telephoned State DPW spokesman Mr. MacDonald, to inquire about the opening of the 195 link to Fairhaven. He was informed that the DPW will not open this section until the bridge over the Acushnet River is completed sometime in the summer or fall of 1974.

LET'S KEEP EDWARD J. SYLVIA ON THE BOARD OF HEALTH

Boards of Health, in addition to sponsoring the several types of health clinics, are increasingly involved with matters of sanitary sewage disposal and air, water and land pollution. The scope of responsibilities has therefore increased beyond the bounds of the medical specialist per se and now requires a generalist capable of judging the adequacy of engineering designs for sewage disposal; for judging the adequacy of solid waste management and for enforcing laws for the prevention of air, water and land pollution.

In conclusion, my education, present occupation, responsibility and familiarity with the laws, regulations, codes, medical and engineering data provide me with the background to exercise this public trust of Health Board Member.

TOWN SAVES ENERGY AND PAYS MORE

The Town Hall has conducted an effort to save energy during this shortage and finds, as most householders do, that the sacrifice pays off only on paper. It costs much more to heat less and conserve electricity as rates soar. In January 1973 the Town Hall used 6642 units of current at a cost of \$158.34. In January, 1974, 5342 units were consumed at a cost of \$167.26. The conservation saved 1300 units of electricity and the result was a charge increase of \$10.00. Comparing gas - 954 units were used in 1973 at a cost of \$184. In January of 1974, the thermostat was turned down to 68 and many other measures were taken which resulted in a consumption of 937 units for a saving of 17 units

of gas. The result was a cost increase from \$184.00 to \$216.00.

COMMONWEALTH OVERDUE DEBT GROWS

The amount that Massachusetts owes to the town, by law, on Police Incentive Pay has mounted to \$1,290.51. The town voted to accept participation in the police incentive pay program after the Massachusetts legislators passed the law which provided for Massachusetts reimbursement of 50% of the cost. The state share of the program has never been paid.

TEXACO CLOSES STATION

The Texaco Oil Company has closed its station in Mattapoisett despite the Board of Selectmen's request that it should remain open to serve the people who have been loyal customers. Selectmen have insisted that the motorists who have depended on the allocation to this source of fuel should continue to have the allocation in Mattapoisett. Congressman Studds has been contacted and he is quoted as saying that Texaco does have the obligation to keep the al-

location of gasoline in this area.

MATTAPOISETT TOWN WARRANT

The town warrant for the annual town meeting has been posted. There are many items which will require considerable information and several that would have a considerable financial impact on the town.

Article 19 concerns the Flood Proofing Regulations that are proposed to be added to the building code. This area will be the subject of a public hearing March 19th at 8 P.M. at Room 203, Town Hall. Since the Flood Plain Zone includes a considerable area of the town not actually in a flood area this building code will apply to many homes that may not suspect that they will be included in these new regulations. Homeowners will do well to check the map and attend this hearing

before considering the question on the town meeting floor.

The Mattapoisett Library Board of Trustees has \$112,000 in requests in this warrant in Article 27 and 28. This is for a fire detection system at \$37,000. and renovation to the basement at \$75,000.

Article 35 seeks \$16,000 for the town's share of dredging and riprapping the Eel Pond. In this project, the State is supposed to pay 75% of the dredging and 50% of the stone groin work.

Articles 36, 37, 38 and 39 are the essentially same water projects that were considered in 1974. They include water supply to Mattapoisett Neck Road, water booster pumping station, water system to supply Brandt Beach and Leisure Shores. No cost estimates are available at this time but the 1973 warrant for these projects may give some idea of the cost involved.

Article 47 concerns the sewage problem. The committee seeks funds for a feasibility study for collection and treatment plant located in Mattapoisett as an alternate to a regional system with Fairhaven.

ELECT GENE E. PURSLEY OLD ROCHESTER REGIONAL SCHOOL COMMITTEE

The answer to the problem of school costs isn't new taxes or shifting the load to other taxes, but in controlling the spending. The cost of education must be weighed against the ability of the public to pay. I believe that expensive educations are not necessarily good and that good educations are not necessarily expensive.

Gene E. Pursley, 93 Marion Rd., Mattapoisett

Of more immediate concern, the Special Town Meeting set for March 28, 1974, will consider the addition to Old Hammondtown School that is proposed. This structure is designed to accommodate 150 pupils at a cost of \$5,900. per pupil for the building. The addition would be a net cost to the town of \$384,958.00 based on a total cost of \$886,000 with State participation. Residents will receive a brochure and warrant during the first week of March. The special town meeting warrant contains 3 articles.

Article 1 will seek a vote for constructing and equipping the Old Hammondtown addition. Article 2 would authorize the School Building Committee to enter into the necessary contracts should Article 1 be approved. Article 3 is to see if the town will vote to receive a report from the School Committee as regards the most recently conducted feasibility

Brownies Tour Hospital

On Thursday, February 14, a group of Mattapoisett Brownies and their two leaders were conducted on a tour of Tobey Hospital by Miss Sylvia McLaughlin, Director of Medical Records. The trip, arranged to show that hospitals are not frightening places, turned out to be one of the most delightful aspects of education at the hospital. The enthusiastic Brownies were most impressed by such things as the taking of x-rays and the sight of the new-born babies in the nursery. Even though they were impressed by the massive food preparations in the kitchen, each little girl was especially eager to walk into the freezing compartments used for food storage.

WOMEN OF MATTAPOISETT TO
OBSERVE WORLD DAY OF PRAYER

An ecumenical service for THE WORLD DAY OF PRAYER is being held in the Mattapoisett Congregational Church on Friday, March 1st, at 11 A.M.

This year the women of Japan have prepared the service which will be used throughout the world. Very fittingly, the theme of the service is "BUILDERS OF PEACE".

The principal of Center School, Miss Katherine Aurich, will be the speaker and a group of Center School children are going to sing.

A sandwich buffet is to be served immediately following the service. Everyone is invited to attend both the service and the buffet. A special invitation is extended to the Senior Citizens. There will be baby sitter service for young mothers who would like to attend.

Those taking part in the service include: Miss Katherine Aurich, speaker; Mrs. Murray F. DeCoffe, Mrs. Russell R. Bessette, Mrs. Donald T. Welch, Mrs. M. Ted Bryant, Mrs. Colin McGrath, leaders; singers, grade 2,

CANDIDATE FOR BOARD OF HEALTH

If elected to the Board of Health, I feel that I would have the foresight to look beyond this office to see whether any decisions made by this Board would have a favorable or unfavorable economic effect on the town and then govern my decisions accordingly.

I have knowledge of the laws, regulations, codes, installation and engineering data necessary to exercise the functions of this office within the law and with fair and equal treatment for everyone.

I am not obligated to any one person or special interest groups, but feel that my obligation is to serve the whole town if elected.

I look forward to having the opportunity to serve my community in this capacity and would appreciate your vote on March 5th. Thank you.

STUDY GROUP MEETING

The Mattapoisett members of the Land Use Study Group of the Marion-Mattapoisett League of Women Voters met on Wednesday at the Shipyard Lane home of Mrs. Edward Watts, Jr. The guest speaker for the meeting was Dave Hewitt, chairman of the Conservation Commission of Mattapoisett.

Mr. Hewitt spoke to the members about the vast amount of wetlands in the town and the commission's hope to protect them from filling and building by developers. "Most of the land left in Mattapoisett," noted Mr. Hewitt, "is questionable land for building any number of houses on."

To protect the remaining land the commission hopes to put a Wet Lands Bill on the Town Warrant which will be far more strict than the existing regulations set down by the Department of Natural Resources, the Federal controlling agency. Preliminary soil testing and mapping has mostly been done. "Hopefully, this year's regular town meeting will contain provisions on the warrant for the

"Art of The Sea"

To honor the widely-known scrimshaw artist, Milton K. Delano, of Fairhaven, the Creative Arts Council on the Fairhaven Unitarian Memorial Church will present a program on "Art of the Sea", Friday, March 1, in the Parish House. Mr. Delano will give a talk and exhibition of his craft, and join the men singers of the Church in a number of interesting and rollicking sea chancies under the direction of Herbert Bowker, organist and choir director. Miss JoAnn McAfee will accompany the group on the accordion.

Members and friends are invited to gather at 6:00 P.M. to enjoy a pot luck dinner preceding the program. Mrs. George F. Fisher of Mattapoisett is chairman of hospitality; and Miss Mildred Jones Keefe, also of Mattapoisett, is chairman of the Creative Arts Council.

TOWN OF MATTAPOISETT MASSACHUSETTS

MATTAPOISETT PLANNING BOARD NOTICE OF PUBLIC HEARING

A Public Hearing will be held at the Mattapoisset Town Hall on March 19, 1974, at 8:00 P.M. in Room 203 on proposed amendments to the Zoning By-Laws. Proposed amendments are as follows:

PROPOSED ZONING BY-LAW AND MAP AMENDMENTS

Article 1. To see if the Town will vote to amend the Zoning Map of the Town of Mattapoisset by changing the following described area from General Business (GB) and Rural Residence 30 (RR30) to Special Business (SB):

Bounded northerly by the southerly line of Route 6-Fairhaven Road approximately 1661 feet;
Bounded easterly by the westerly line of Mattapoisset Neck Road approximately 1200 feet;
Bounded southeasterly by the northwesterly line of the New Bedford Gas and Edison Light Company right-of-way approximately 1700 feet;
Bounded southerly by the northerly line of the former railroad bed of the New York, New Haven and Hartford Railroad Company approximately 200 feet and;
Bounded westerly by a line parallel to the westerly line of Mattapoisset Neck Road for a distance of approximately 2700 feet.

Article 2. To see if the Town will vote to amend the Zoning Map of the Town of Mattapoisset by changing the following described area from Rural Residence 30 (RR30) to Special Business (SB):

Bounded on the east by the westerly line of the present General Business (GB) district located at the intersection of the northerly line of Route 6-Fairhaven Road and the westerly line of River Road and by said westerly line extended northerly for approximately 600 feet;
Bounded on the south by the northerly line of Route 6-Fairhaven Road;
Bounded on the west by the easterly line of the present General Business (GB) district located on the northerly side of Route 6-Fairhaven Road across from the intersection of Brandt Island Road and by said easterly line extended northerly for approximately 600 feet and;

Bounded on the north by a line parallel to and 1000 feet northerly of the northerly line of Route 6-Fairhaven Road.

Article 3. To see if the Town will vote to amend the Zoning Map of the Town of Mattapoisset by changing the following described area from Residence 30 (R 30) to General Business (GB):

Bounded on the northwest by the southeasterly line of Railroad Avenue, as shown on the Zoning Map of the Town of Mattapoisset dated November 1, 1967;
Bounded on the southwest by the northeasterly line of North Street approximately 1603 feet;
Bounded on the southeast by the northwest property line of land now or formerly of Hazelle Lomax Ferguson and Kathleen E. and Elwood S. McKenney for approximately 1037 feet.
Bounded on the northeast by the southwesterly line of the present Limited Industry (LI) district measuring approximately 900 feet and by the southwesterly property line of land now or formerly of Henry F. Pallatrone and Robert A. Gingras measuring approximately 1492 feet.

Article 4. ZONING ROUTE 6: To see if the Town of Mattapoisset will vote to amend the zoning map of the Town of Mattapoisset by extending the existing General Business Zone on the south side of Route 6-Fairhaven Road at Mattapoisset Neck Road, westerly to the General Business Zone at Brandt Island Road. Said zone to be a depth of 400 feet from the center line of Route 6, or take any other action relative thereto.

Article 5. FLOOD PLAIN ZONING: To see if the Town will vote to adopt the following Regulation of Flood Hazard Areas as an addition to the Zoning By-Laws:

ZONING BY-LAW REGULATION OF FLOOD HAZARD AREAS

A. STATEMENT OF PURPOSE

It is the purpose of this By-Law to promote the public health, safety and general welfare and to minimize those losses described in Section B by provisions designated to:

1. Restrict or prohibit uses which are dangerous to health, safety or property due to water or erosion hazards or which cause damaging increases in erosion or in flood heights or velocities.
2. Require that uses vulnerable to floods, including facilities which serve such uses be protected against flood damage at the time of initial construction.
3. Discourage individuals from buying lands which are unsuited for intended purposes because of flood hazard.
4. Control the alteration of dunes and other natural protective barriers.
5. Control filling, grading, and mineral extraction which may increase flood damage.
6. Regulate the construction of seawalls, bulkheads, groins, jetties, and other works which may increase flood damage to other lands.

B. LANDS TO WHICH BY-LAW APPLIES AND ESTABLISHMENT OF REGULATORY FLOOD PROTECTION ELEVATION

1. This By-Law shall apply to all lands within the jurisdiction of Mattapoisset shown on the Official Flood Plain Zoning Map as being located within the boundaries of the Special Flood Hazard District.

2. Establishment of Official Flood Plain Zoning Map.

The Official Flood Plain Zoning Map together with all explanatory matter thereon, and attached thereto is hereby adopted by reference and declared to be a part of this By-Law. The Official Flood Plain Zoning Map dated March 16, 1973, bears the signatures of the Planning Board, attested by the Town Clerk, and shall be on file in the Office of the Town Clerk of Mattapoisset.

3. Rules for interpretation of District Boundaries.

The boundaries of the Flood Plain District shall be determined by scaling distance on the Official Flood Plain Zoning Map. Where interpretation is needed as to the exact location of the boundaries of the district as shown on the Official Flood Plain Zoning Map (for example, where there appears to be a conflict between a mapped boundary and actual field conditions), the Board of Appeals shall make the necessary interpretation. The person contesting the location of the district boundary shall be given a reasonable opportunity to present his case to the Board and to submit his own technical evidence if he so desires.

4. Compliance.

No structure or land shall be used and no structure shall be located, extended, converted or structurally altered without full compliance with the terms of this By-Law, Building Code, and other applicable regulations.

5. Abrogation and Greater Restrictions.

It is not intended by this By-Law to repeal, abrogate or impair any existing easements, covenants, or deed restrictions. However, where this By-Law imposes greater restrictions, the provisions of this By-Law shall prevail. All other By-Laws inconsistent with this are hereby repealed to the extent of their inconsistency only.

6. Warning and Disclaimer of Liability.

The degree of flood and erosion protection required by this By-Law is considered reasonable for regulatory purposes and is based on scientific methods of study. Larger floods may occur. This By-Law does not imply that areas outside the Flood Hazard District boundaries or land uses permitted within such districts will be free from flooding or flood damages. This By-Law shall not create liability on the part of the Town of Mattapoisset or any officer or employee thereof for any flood damages that result from reliance on this By-Law or any administrative decision lawfully made thereunder.

7. Severability.

If any section, clause, provision or portion of this By-Law is adjudged, unconstitutional or invalid by a court of competent jurisdiction, the remainder of this By-Law shall not be affected thereby.

8. The Regulatory Flood Protection Elevation for Mattapoisset shall be 14.4 feet above mean sea level.

C. ESTABLISHMENT OF ZONING DISTRICT.

The flood hazard area within the jurisdiction of this By-Law is: Special Flood Hazard District (FH). The boundaries of this district are shown on the Official Flood Plain Zoning Map which is hereby incorporated by reference. Within this district, all uses not allowed as Permitted Uses or Special Exceptions shall be prohibited.

D. PERMITTED USES.

The following uses which have low flood damage potential and do not threaten other lands during times of flood shall be permitted within the Special Flood Hazard District provided they are not prohibited by any other zoning regulations or other By-Laws and do not require storage of materials, structures, flood control works, substantial filling or grading, or disturbance of dunes or beaches. But no use shall be permitted which adversely affects the capacity of the channels or floodways of streams, drainage ditches, or any other drainage facility or system.

1. Agricultural uses such as general farming, pasture, grazing, outdoor plant nurseries, horticulture, viticulture, truck farming, forestry, sod farming, and wild crop harvesting.
2. Industrial-commercial uses such as loading areas and parking areas.
3. Municipal uses such as water works, pumping stations and other essential services, private and public recreational uses such as beaches, beach cabanas not suitable for use as dwellings, boardwalks and steps to permit access across dunes and beaches, pavilions and other similar small platforms, lifeguard stations, golf courses, tennis courts, driving ranges, archery ranges, picnic grounds, boat launching ramps, swimming areas, parks, wildlife and nature preserves, game farms, fish hatcheries, shooting preserves, target ranges, trap and skeet ranges, hunting and fishing areas, hiking and horseback riding trails, temporary structures for sale of food and refreshments, arts and crafts.
4. Residential uses such as lawns, gardens, parking areas and play areas.
5. The following uses shall be permitted uses within the Special Flood Hazard District to the extent that they are not prohibited by any other By-Law:
 - a. Any use permitted by Section D, 1 thru 4 above.
 - b. Residential dwellings constructed in accordance with applicable Building Codes.

For further details call Trix Whalen at the Y.

Y.M.C.A. News

An eight-week course in Self-Defense and Police Tactics will be held on Wednesday evenings from 7:30 to 9:30 starting February 27.

The program is geared for correctional officers, police and other law enforcement officials. It will not be open to the general public. The courses will be held at the New Bedford YMCA.

A basic eight week course on Self Defense will be given on Thursday evenings, starting March 7, to give the average person sufficient knowledge to cope with the average street assailant.

The course will be open to YMCA members and non-members. Participants must be 17 years and over and it is co-ed. For further information on above courses call the YMCA.

TREE SEEDLINGS

March 15th is the deadline for obtaining seedlings, 2 to 3 years old, from the Plymouth Conservation District. Contact any member of the Mattapoisett Conservation Commission for details.

sunday monday always

If you said to yourself that's the title of an old song, you're right. But National Bank of Fairhaven has found it a convenient new way to tell people, young and old, that the bank is always open. Gone is that old worry about getting to the bank on time. Now, you can always be on time with 'Big Doc'.

Sure, National Bank of Fairhaven still has regular banking hours for those who need to sit down and talk over their banking needs. But for those who simply want cash quickly or need to make a deposit or Christmas Club payment, 'Big Doc' is one heckuva big convenience money partner. On the job, night and day to serve you better, Sunday, Monday, Always.
